[The Scarlet Ibis Symbol Chart Answer](#)

	EKSEMPEL
STOLTHED <p>"Der er i mig (og med sorg jeg har set det i andre) en knude af grusomhed bæres af strømmen af kærlighed meget som vores blod nogle gange bærer kimen til vores ødelæggelse ..."; "Alle os skal have noget at være stolt af"; "Stolthed er en vidunderlig, frygtelige ting, et frø, der bærer to vinstokke, liv og død." Disse sætninger viser læseren, hvordan stolthed er dobbeltsidet. Den lærer Doodle at gå, men for fortællerens egoistiske grunde.</p>	
SCARLET IBIS <p>I denne historie, den røde ibis repræsenterer Doodle. Ligesom Ibis, blev Doodle født og opretholdt en rødlig nuance. I historien, den farve repræsenterer en advarsel om døden, der vil komme. Død af fuglen og død Doodle spejler hinanden: fuglens ben og hals er placeret ligesom Doodle krop; de er begge fundet under et træ eller busk, der refererer til rød i sit navn; begge er tabt i en storm. Ibis er også sjældent, meget gerne Doodle. Dets sjældenhed, kombineret med farven rød, tyder på, at deres skæbne var tilsluttet.</p>
